“In my own philanthropy and business endeavors, I have seen the critical role that the arts play in stimulating creativity and in developing vital communities....the arts have a crucial impact on our economy and are an important catalyst for learning, discovery, and achievement in our country.”

–Paul G. Allen, Co-Founder, Microsoft

“Arts education aids students in skills needed in the workplace: flexibility, the ability to solve problems and communicate, the ability to learn new skills, to be creative and innovative, and to strive for excellence.”

– Joseph M. Calahan, Director of Cooperate Communications, Xerox Corporation

Special Thanks

Thank you for attending this event and supporting the Music department and the Music Booster Scholarship. Without your support, our programs would not be possible.

We would like to thank the administration of USD 320 for their continuing support of the arts in our Wamego USD 320, especially during this--the most trying of years.

A big thank you to all the parents of the students involved in our Music classes. Your encouragement, interest, and love of the arts make a difference in the lives of your children and the continuing success of our programs.
