IMPORTANT THINGS TO NOTE ABOUT THIS TRIP:

1. We will be performing twice in Orlando. One performance will be a parade through a Disney park with the marching band and a stage performance by the choir at Disney Springs. We will also participate in Universal's Sound Design Workshop: Music and the Art of Foley. (The students get to experience what it's look to be a working musician and sound effect artist for the movies.)
2. The cost difference between this trip and the 2022 trip for a quad occupancy is \$476--we typically see an increase of \$100/year so the increase was a little more than expected. For that reason, we surveyed parents with some other less expensive options, but the four day/ two park option was the one that the vast majority chose.
3. The band and choir will travel together. We are doing this for two main reasons: 1) We will have more paid participants which will bring the cost down for everyone; and 2) students that are involved in both Band and Choir will only have to raise money for one trip rather than two.
