Special Thanks

Thank you for attending this event and supporting the Music department and the Music Booster Scholarship. Without your support, our programs would not be possible.

We would like to thank the administration of USD 320 for their continuing support of the arts in our Wamego USD 320, especially during this--the most trying of years.

A big thank you to all the parents of the students involved in our Music classes. Your encouragement, interest, and love of the arts make a difference in the lives of your children and the continuing success of our programs.
