

WHS Band Trip OTC Medications Permission Form

2

This form is to help clarify for parents and students our over-the-counter (OTC) medication policy for our trip to Florida in December, 2018. Please complete and return this form by December 1, 2018.

We will have a small supply of the following OTC medications available during the trip. Please indicate whether or not it is OK for your child to receive the listed medication as needed.

I give my consent for my child _____ to receive the following medications if needed during the 2018 WHS Band trip:

Tylenol® (325 mg or 500 mg tablets or liquid) for pain or fever	Yes _____	No _____
Ibuprofen (200 mg tablets) for pain or fever	Yes _____	No _____
Bonine (Dramamine® or Meclizine) for nausea or motion sickness	Yes _____	No _____
Tums® for indigestion	Yes _____	No _____
Benadryl® (25 mg or clear syrup) for allergy symptoms	Yes _____	No _____
Claritin® (10 mg) for non-drowsy allergy relief	Yes _____	No _____
Antibiotic ointment for abrasions or cuts	Yes _____	No _____
Sudafed PE® (phenylephrine) for congestion	Yes _____	No _____
Hydrocortisone cream 1% for skin rashes	Yes _____	No _____
Immodium D® for diarrhea	Yes _____	No _____
Miralax® (17 mg individual packet) for constipation	Yes _____	No _____
Lubricating eye drops for eye irritation	Yes _____	No _____
Cough drops for cough or throat irritation	Yes _____	No _____
Other- please specify _____	Yes _____	No _____

If your child routinely takes medications, please send a supply to cover the duration of the trip. Please list those medications on the medical release form and the **Prescription Medication Form (Form 5)**. Please have these medications in their original containers, labeled appropriately--we cannot dispense medications not in their original container. If your child takes a prescription medication (including self-carry inhalers or Epipens®), please fill out the **Prescription Medication Form (Form 5)** and have it signed by your physician. Inhalers and Epipens® can be carried by your child. Please discuss this with the nurse at check-in, as this could be life saving information. The nurse must keep all controlled substance prescriptions in her possession. Parents must be deliver prescription medications during luggage check on our departure day, (in their original container) and it will be dispensed to your child by the nurse each day when the dose is due.
